One day, little Timmy was at school and heard the word "shit".

He went home and asked his dad for the definition and he promptly told him “coats and jackets”.

Timmy went to school the next day and heard the word “fucking”, and for a second time, asked his father what it meant.

His father promptly said “cooking”.

Then, he returned to school the third day and heard the words “bitches and hoes”.

He went home and his father told him it meant “grandpa and grandma”.

Later, on Thanksgiving night, his grandparents came over. Timmy answered the door with glee and says: “Hey bitches and hoes! I’ll take your shit to the closet cause dad’s in the kitchen fucking the turkey!”

days. If we fooled around for only 1 hour a day, 15 days are gone, so we are left with 126 days. We spend 2 hours eating each day, 30 days are used in this way in the year, and we are left with 96 days in our year. We spend 1 hour a day speaking to friends and family, that takes away 15 days more and we are left with 81 days. Exams and tests take up at least 35 days in your year; hence you are only left with 46 days. Taking off approximately 40 days of holidays, you are only left with 6 days. Say you are sick for a minimum of 3 days; you're left with 3 days in the year to study! Let's say you only go out for 2 days. You're left with 1 day. But that 1 day is your birthday. That's why I did not study.

Teacher: Class dismissed.

Chapter 8 by KlawedKitten

A teacher is teaching a class and she sees that Johnny isn't paying attention, so she asks him, "If there are three ducks sitting on a fence, and you shoot one, how many are left?" Johnny says, "None." The teacher asks, "Why?" Johnny says, "Because the shot scared them all off." The teacher says, "No, two, but I like how you're thinking." Johnny asks the teacher, "If you see three women walking out of an ice cream parlor, one is licking her ice cream, one is sucking her ice cream, and one is biting her ice cream, which one is married?" The teacher says, "The one sucking her ice cream." Johnny says, "No, the one with the wedding ring, but I like how you're thinking!"
